R.No. 67092-1 Mal(2)54 Dated 22-12-1954

Sir,

Sub:- Malaria - Malabar District - New Settlers Colonies - Scheme of control - Continuance from 1-3-1955 - Sanction of Government - Requested.

128331

Ref:-1)G.O. Ms. No. 1040, Health dated 21-4-1954
2)G.O. Ms. No. 1155, Health dated 30-4-1954.

The sanction accorded in the G.O. cited to the continuance of the anti-malaria Scheme for New Settlers' Colonies and of the staff therefor, will expire on 28-2-1955 After Noon.

77 villages and hamlets had the benefit of the Scheme, the population benefited being 79,000 distributed in the foot-hill villages of Kozhikode, Kurumbranad, Kottayam and Chirakkal Taluks.

Besides DDT residual spraying of houses as an Antimalaria measure, intensive distribution of quinine drugs and Resochin tablets supplied under the National Malaria Control Programme was in vogue. Routine spleen and parasite surveys were also conducted.

Year after year, new areas are being included in the scheme, as the New Settlers extend their area of cultivation. Fresh surveys are undertaken in those newly extended areas to assess their endemicity for malaria and to include the same for control operations. As a result of the measures, malaria in the controlled areas of the foot hill regions of the Western Ghats in North Malabar District has not only been reduced but its spread to the other healthier portions of the Taluks in the nature of epidemic outbreaks has also been checked by controlling the foci of infections.

In order to maintain the good results achieved and to extend the area of operations to new areas, it is necessary to continue the scheme. I therefore request that Government may be pleased to sanction the further continuance of the scheme for one more year from 1-3-1955 with the existing staff as sanctioned in G.O. Ms. No. 1040, Health dated 21-4-1954 and also one driver and one cleaner sanctioned in G.O. Ms. No. 1155 Health dated 30-4-1954.

The staff excepting the mazdoors and the cleaner may be allowed to continue to draw a special pay equal to 25% of their pay, in addition to their usual pay and allowances admissible under the rules.

(pto)

Sanction may also be accorded to the incurring of the following contingent expenditure in connection with the scheme for 1955-56:-

	Rs.
1) Maintenance and running charges of 2 motor transports including replacement of tyres, tubes, purchase of petrol, oil, lubricants and other repairs etc.	6,000
2) Wages to Spray Mazdoors.	9,000
3) Miscellaneous Contingencies like Office rent, supply of uniforms, Towels etc to mazdoors etc, Watchman and Cleaner	4,000
4) Chemicals, torch cells, rubber hoses, Washers and other equipment	750

As regards sharing of the expenditure on the cost of the scheme and the staff, by the District Board, Malabar, the President, District Board, Malabar, has been addressed in the matter. A copy of interim reference dated 16-12-1954 received from the President, District Board, Malabar is enclosed. The final reply of the President, District Board will be forwarded to Government, as soon as it is received. | A

Read:

158. Payment of contribution for the continuance of the Anti-malarial scheme, New Settlers Colonies, Malabar from 1-3-55 to 28-2-56.

(Note :—The Director of Public health, Madras has stated that generally two-thirds of actual expenditure on the above scheme is to be met by the Malabar Dist. Board. He requests to be informed whether the Dist. Board will meet two-thirds of the cost of the scheme. Hitherto the Dist. Board has not paid any contribution to the working of the above scheme. The entire cost is met by the Governmeet The present financial position of the board is too poor to pay this heavy contribution. It was on account of the inability of the District board thet the Government in their order Ms. No. 1348. Health dated 18-5-54 waived the recovery of the contribution for the period from 23-6-52 to 30-6-53 The Board's financial position is more or less the same as it was then.

THE BOARD REGRETS ~~XX~~ ITS INABILITY TO PAY ANY CONTRIBUTION.
